GENERAL PRICE LIST

These prices are effective as of May 7, 2024 and are subject to change.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff

\$2200

Basic service charge includes, but is not limited to, staff to respond to initial request for services, arrangement conference with family and/or responsible party, preparation and filing of all necessary certificates and permits, notification to Social Security, placement of Obituary and/or notices in newspaper.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.)

Embalming \$415

Except in special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

State law requires that embalming, refrigeration, or other forms of disposition be made within 24 hours of death.
