## General Price List

These prices are effective as of 4/2/2025  
Prices are subject to change without notice.

The goods and services in the following list are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean that you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services selected.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

A casket or alternative container is generally required unless there is a transfer without common carrier to another funeral director. Each item shows the services to be rendered by our funeral service staff under that heading and the price for those services is included in the price of the item; there will be no added fee for the use of our funeral service staff besides the prices shown for the services selected.

California Regulatory Agency Information: For more information on Funeral, Cemetery and Cremation Matters, contact the Department of Consumer Affairs, Cemetery and Funeral Bureau, 1625 North Market Blvd., Suite S-208, Sacramento, CA 95834, Tel: 916-574-7870.

### **Basic Services of Funeral Director and Staff and Overhead** \$1,100.00

This basic charge includes 24-hour availability of staff and equipment, securing and recording vital statistics, obtaining authorizations and permits to comply with all state and federal regulations and arrangement conference with family or responsible party. Also included in this charge are overhead expenses such as bookkeeping, accounting and any general clerical administration fees. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving of remains).

### **CARE OF REMAINS**

Embalming \$725.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
