**GENERAL PRICE LIST**

**Effective Date: 7/25/2024**

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangement you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you selected arrangements such as direct cremation or immediate burial, you do not have to pay for embalming you did not approve.

Prior to drafting any contract for goods or services, the responsible party or the decedent’s survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or part, by or on behalf of the decedent.

Our charge for Direct Cremation (without ceremony) includes: transport of remains to crematory (possible additional charge if location beyond 20 mile radius), preparation and filing of death certificate, refrigeration, alternative cremation container, basic services of funeral director and staff, a proportionate share of overhead costs, cremation, a plastic utility urn, and picking up the cremated remains by the family at our office, and a donation to the Penny Pines reforestation program for Cleveland National Forest.

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The container we provide is a heavy-duty double wall corrugated cardboard with waterproof coating and lid, which meets California standards. There is no charge for the cardboard container.

**If you prefer, you can make cremation arrangements online: at [www.omegasociety.com](http://www.omegasociety.com).**
