# Payment Options

To lose someone you love is a devastating experience. It can be traumatic and may seriously impact one's judgement. We strive to bring ease and comfort to families by working diligently to create certainty through the uncertainty of life's end. This includes being realistic with funeral expenditures.

We do not want your choices to be more than affordable nor less than you would like to arrange. It is important that arrangements are made in accordance with your wishes and within your budget.

We believe in the meaningful celebration of a life and will assist in arranging an appropriate service to meet your individual needs. For your convenience, we accept the following methods of payment.

**Prefunded Funeral Service.** These are funded by a bank or insurance trust. Any outstanding balance is to be paid by the family at the time of the initial arrangement.

## **Cash, Check, Debit or Credit Card**

We accept cash, personal checks, cashier's checks, certified checks, Visa, MasterCard, Discover, or American Express.

**Insurance Assignment** of a life insurance policy through Express Funeral Funding (EFF). EFF charges a processing fee of 3% of the amount assigned. The fee is paid out of the total proceeds of the insurance policy that is assigned. There are no out-of-pocket expenses associated with the use of EFF. After EFF has verified the policy and determined the policy can be assigned to the funeral home, the funeral may be scheduled. This ensures the funds are available for your family.

**Advance Payment** by a forwarding or receiving funeral home.

**Please note that one of the above payment options must be in place at least 24 hours before the service, burial, cremation, or forwarding can occur. Also, any cash advance items must be paid in full before we are able to make payment on your behalf to those designated entities.**
